**BOOKS 'N BRUNCH - A BIG SUCCESS!**

Books N Brunch, held at North Ranch Country Club on March 31, 2011

Robert Goolrick, Annie Korzen and Maggie Anton. What a combination they turned out to be. Maggie Anton told us so many interesting things, about her life, Jewish history and Rashti's daughters. People who had heard her speak before found her so much more interesting this time around. Annie Korzen had us in stitches. Telling us all about her bargains. She spends a lot of time trying to find the best prices on everything she buys. She gave us some really good ideas on saving money. Rob Goolrick, a wonderful speaker, spoke about his life, the book industry and how he came to write A Reliable Wife. He is busy writing his new book which we are looking forward to reading. North Ranch Country Club really went all out. What a fabulous brunch we enjoyed. The room looked beautiful, we sold lots of books and everyone agreed this was the best authors event ever.

### Brandeis National Committee History

Located in Waltham, Massachusetts, Brandeis University is ranked in the top tier of universities in the country. Founded in 1948 and named for the late Justice Louis Dembitz Brandeis of the U.S. Supreme Court, it is the only nonsectarian, Jewish-founded university in the country, known for its academic excellence and ideals of social justice. At the same time as Brandeis founding, eight women from Boston, all leaders in the community, were asked to help in supporting this new university. They were given the task of building on the collection of 2,000 books in the Library, which was housed in a converted horse stable. The dedication and perseverance of these women, who now called themselves the National Women's Committee continues today, sixty-one years later, as the Brandeis National Committee. With over 70 chapters nationwide and over 39,000 members, BNC is one of the largest and most successful "friends of a library organizations in the world. Over the years, we have placed over one million books in the Brandeis libraries, and raised over \$100 million for Brandeis University and its libraries, scholarship and research. Brandeis University has become one of the youngest private research universities, with groundbreaking exploration in neurodegenerative and age-related diseases.

Our Conejo Valley Chapter, is proud to be a part of this wonderful endeavor. The funds we raise from our events and study groups help to support the development and expansion of Brandeis's Libraries. They are able to purchase books and research journals, restore and preserve books and film, develop information technology, and hire student work assistants. While most of us did not attend Brandeis University or have never visited, we are dedicated supporters to a university that prides itself in bringing together many people of different ethnic, religious and cultural backgrounds.

Our second Ethnic Dining Study Group meet was April 5<sup>th</sup> at the Russian Tea House Kalinka, in Encino, planned by the "Yfat-Alvira" Team

Our third Ethnic Dining event was an amazing experience. We were told that to be invited to a Russian Tea means one must refrain from eating for a week. We found out why. The table was filled to the edges with lovely, divine, traditional Russian cuisine.

We had: A traditional Russian salad.

Oladi- traditional Russian Pancakes, Belini-big, thin Russian Pancakes served with sour cream and home made jam.

Pelmeni – Dumplings filled with meat

Wonderful sweets and Vechernii Chai from the house of Tsar Romanov himself (special evening tea).

The Tea is served in two stages. One, you pour a little of the strong brewed tea and two, you add water to your taste. The taste of the full strength tea is delicious as well and is served with Bublik and Sushki (very dry round sweets, Russian use to make into garland and wear around the neck at the Tea Ceremony).

Together, we relaxed and enjoyed our traditional Russian Tea. The conversations commenced the moment we all met and continued long after our Tea Party was officially over. We learn that in Russia, traditionally, dinning table is a main room where guest are greeted and the goods continue to come for hours and hours, as part of entertainment.

## IMPORTANT ANNOUNCEMENTS

April 20, 2100

Dear NEC Members and Chapter and Region Presidents:

Two weeks ago I had the honor of a lifetime. As National President of BNC, I was asked to be a Marshal in the academic procession, leading a group of BNC representatives to their seats. I was then honored and delighted to bring greetings from the BNC at the inauguration of Brandeis University's eighth president, Fred Lawrence. The entire event was so warm and meaningful and a prelude to the kind of tenure Fred will have.

There were many BNC members at the inauguration, both in the audience and marching with us. Marion Levin, from the Boca Raton Chapter, said in an interview, "To me, this event was a bonus in my life which I will always remember. Walking down the aisle, wearing a cap and gown was such a glorious feeling." I echo her remarks. Ellen Atlas, Former National President, said, "Being at the inauguration was very exciting."

Sitting on the podium, I could feel the excitement in the room. During my speech, I familiarized the audience with the background of the BNC and how in 63 years we have raised \$121 million dollars to fund not only books and learned research journals, but also medical research and scholarships. I also spoke about the wonderful feedback we have received from our members across the country who have been included in Fred's activities during his extensive travel. They all agree he is down to earth, easy to talk to, and they look forward to helping him achieve his goal and realize his vision.

Being asked to be a part of the inauguration reinforced that BNC is a significant part of the greater Brandeis family. It was an honor to be recognized as such. If you could not watch the live stream on line that day, please take the time to watch the video on <http://www.brandeis.edu/inauguration/multimedia/index.html>

With this new era brings a new momentum for BNC. I hope you will join me in further strengthening our commitment. I wish each of you a happy holiday season.

Fondly, Leslie Pearlstein

*Leslie*

On April 21st, Day Time Divas enjoyed a tour of Van Nuys Airport. We learned about different small plans that land on this busiest small airport in the nations. We lean that the fuel tank on those plans are in their wings. We also visited their own Fire Station and learn about different rescue techniques as well as a special helicopter rescue. On the picture below, Laraine is wearing extremely heavy fire protection jacket, while we all posing in front of the CRASH" fire truck (special fire truck only for the airport rescue). On the left, Divas with rescue helicopter pilot and fire chef.

Palm Beacher Stanley Fauer, above, and in uniform, circa 1944, left.

### World War II Veteran to Earn Chevalier Award.

On January 2011 a double ceremony to honor veterans from the war in the Persian Gulf and Desert Storm took place in Boynton Beach, Florida. Although we are usually writing news about our community, with Memorial Day so close, we thought it was important for the Conejo chapter to learn about this event.

In this ceremony, among those honored was Stanley Fauer, who served in Gen. George Patton's Third Army during World War II and who is the brother of Renee Spero, our own Conejo Valley member. Fauer served in Normandy, France and Austria during the war and he also received a battle star at that time. We are proud of his service to our country!

Dear members of the Brandeis community,

I want to share my thanks and deep appreciation with you -- 50,000 strong around the world -- for all the support and encouragement I received throughout Inauguration Week. It was fantastic and truly inspiring. Some 1,500 students, faculty, staff, trustees, friends, supporters and dignitaries attended the ceremony on campus and hundreds more watched live over the internet. We ended the week at the Inaugural Ball, where another 1,500 people filled the Shapiro Gym and had a night of great fun.

I invite you to view coverage of the event on BrandeisNOW. It includes a wonderful slideshow of photos taken at the many events during Inauguration Week as well as a video of my remarks. Stay tuned later in the week, when we will have some additional video highlights. It was a great week for Brandeis -- please feel free to share the excitement with your friends, fellow alums and prospective students by forwarding this link.

Best wishes,  
Fred Lawrence
