Committee**

Conejo Valley Chapter

The Conejo Valley Chapter of Brandeis National Committee is holding a luncheon on September 22, 2011 to raise funds for Brandeis University in Waltham, Massachusetts.

Brandeis National Committee is dedicated to providing philanthropic support to Brandeis University, a distinguished liberal arts and research university. Its membership is connected to the university through fundraising and through activities that reflect the values on which the university was founded: academic excellence, social justice, non-sectarianism and service to the community. The Conejo Valley Chapter represents approximately 500 members who live and shop locally.

Proceeds from this fundraiser will directly benefit Brandeis University's medical and scientific research, science student scholarships and libraries. Research is focused on finding cures for Parkinson's disease, Multiple Sclerosis, Leukemia, Aids, Macular Degeneration, Alzheimer's and other diseases suggesting genetic links.

In these challenging economic times where and how much you donate can be difficult decisions. The success of our fundraiser and the programs it benefits depend on your support and generosity. In appreciation of your donation, your company name will be publicized at our event.

Please accept our sincere gratitude for your consideration and please feel free to phone or E-mail me with any questions you may have.
